Finally received an answer from Kuwait after a second request. They confirmed that they released the delivery order for the goods against receipt of a bank check and presentation of the Original Bill of Lading. They provided a copy of the OBL surrendered at Kuwait, which I have attached for you convenience. It seems they did not deliver against a bank guarantee, but against the OBL. Hope this will help you in your collection effort. If you would like to contact our Kuwait office directly the number follows: 965-243-5757.

Ken Raichle
